

Gardens on the Mountain

Mount Coot-tha Quarry opportunity

Consider the opportunity to create a world class destination for Brisbane across Mt Coot-tha by developing a dynamic centre for science, environment, botany, horticulture and sustainability, that would rank with the worlds most iconic garden projects

Gardens by the Bay, Singapore;
Eden Project, UK;
Butchart Gardens, Canada

Heal the extraction scar across the mountain foothills

Complement and enhance the Botanic Gardens by transforming the adjacent quarry with the most innovative structural, botanical, landscape and educational attractions.
